"BUSINESS AS USUAL"

The worst thing that could hap-
pen to the world right now would be
a business depression in the United
States. With the country unpros-
perous, with business dull, money
tight, either through fear or false
economy, would be a calamity.

War in itself does not cause busi-
ness depression. Billions of dollars
have been appropriated by congress
for war preparations. This great
sum of money, put into immediate
circulation in this country, will cre-
ate new wealth for use in the world-
struggle for humanity.

It would be a tremendous error to
halt business now through an un-
patriotic feeling of panic and a mis-
taken idea of patriotic economy.

Patriotic economy calls upon all
to eliminate waste and extravagance.
It demands that we conserve our
food products, and our natural
wealth. It also demands that we
guard our health, our energies, our
labor—our very lives; that we
should put more efficiency in every-
thing we do.

Our president, in his inspired war
message to the people, said, "It is
evident to every thinking man that
our industries, on the farm, in the
shipyard, in the mines, in the fac-
tories, must be made more prolific
and more efficient.

The way to accomplish this is for
the people to buy and use the mer-
chandise produced. Business can-
not remain healthful unless the
whole people buy as usual and keep
money in circulation.

America will show the world that
a war built on the principles of
righteousness and freedom need not
impoverish the people or stop the
wheels of industry.

America will prove that prosper-
ity can go hand in hand with war
when waged with clear headed in-
telligence.

The American people will continue
to need food and clothing. They
will not give up the luxuries of life.
They will continue to buy motor
cars and stocks. Theatres and base-
ball and other amusements will go
on. All these must be supplied, as
well as fighting men, and supplies
for the fighting men. In doing his
bit to help, every individual should
labor, more now than has been his
custom, in every line of industrial
endeavor. The greater tax of labor
imposed upon us by the unusual
conditions of the present hour neces-
sitates a greater activity and greater
efficiency on the part of every in-
dividual in order to meet these extra-
ordinary conditions. Caution is war-
ranted, but we should buy goods and
lead the lives we have been accus-
tomed to. Factories must be kept
going to their full capacity. Labor
must be kept employed. Our homes
must be kept up. We must cheer-
fully pay war duties in addition to
usual peace duties and expenditures.

In doing our bit, every one of us
should buy up to the limit of our
ability, to the end that money shall
be kept in circulation.

Let us take as our slogan—and
spread this slogan everywhere, for
our own good, for the COUNTRY'S
good, for the WORLD'S good, "BUS-
INESS AS USUAL."—By E. C.
Morse, vice president and general
manager, Chalmers Motor Company,
Detroit, Mich.

to the members and voted on and
carried by a large majority. Then
the Grand Lodge decided it took a
two-thirds majority to change the
rates and adopt the new. A bitter
fight ensued for an hour. Legal tal-
ent was about evenly divided be-
tween the fighters, an exception was
taken by J. L. Sundean from Wahoo
Lodge. It will be threshed out later
on. Sundean is for lower rates and
stands for the old men, and by the
way, Sundean is the best fighter I
ever saw on the floor. He has met
all opposition with approval of a ma-
jority of the lodge, and still the roll-
er machine will get us down by not
having the skill to dodge lightning
tactics. When all rules of common
courtesy and respect can be ignored
with impunity by the head of the
lodge it is time to go home and quit
the order. The new rate voted on
would have required you to pay \$2
per month on \$2,000. My rate would
be \$3 less than before, and a provi-
sion to help the old men a little on
the side.

I will close as we have a night ses-
sion.

Friday Morning.
Well, Julius, we fought the battle
up to 12 o'clock last night and quit
to bury the dead and take care of
the wounded this forenoon. The elo-
quence of a Cicero, the prudence of
Augustus, the patience of Job, and
the intelligence of all are still inad-
equate to come to any conclusion in
regard to any rate proposed by the
different factions, and in my judg-
ment, there is no legal rate in exis-
tence today to carry out the wishes
of the order. However, they will
try to collect the Fraternal Congress
rates for the next three months, af-
ter that rate had been voted down
by a two-thirds majority.

I am with the insurgents and we
have taken legal action against the
rulings of the Grand Lodge officers.
This will likely go before the Su-
preme Court in the near future. The
State may appoint a receiver for the
lodge and take charge at once. The
Grand Lodge officers for the next two
years are all new men. For further
information, see the Omaha daily pa-
pers."

**OLD-TIME COLD CURE—
DRINK HOT TEA!**

Get a small package of Hamburg
Brest Tea, or as the German folks
call it, "Hamburger Brust Thee," at any
pharmacy. Take a tablespoonful of
the tea, put a cup of boiling water upon
it, pour through a sieve and drink a
teacup full at any time during the
day or before retiring. It is the most
effective way to break a cold and cure
grip, as it opens the pores of the skin,
relieving congestion. Also loosens the
bowels, thus breaking up a cold.

Try it the next time you suffer from
a cold or the grip. It is inexpensive
and entirely vegetable, therefore safe
and harmless.

**RUB RHEUMATISM FROM
STIFF, ACHING JOINTS**

Rub Soreness from joints and muscles
with a small trial bottle of
old St. Jacobs Oil

Stop "dosing" Rheumatism.
It's pain only; not one case in fifty
requires internal treatment. Rub sooth-
ing, penetrating "St. Jacobs Oil" right
on the "tender spot," and by the time
you say Jack Robinson—out comes the
rheumatic pain. "St. Jacobs Oil" is a
harmless rheumatism cure which never
disappoints and doesn't burn the skin. It
takes pain, soreness and stiffness from
aching joints, muscles and bones; stops
sciatica, lumbago, backache, neuralgia.
Limber up! Get a 25 cent bottle
of old-time, honest "St. Jacobs Oil"
from any drug store, and in a moment
you'll be free from pains, aches and
stiffness. Don't suffer! Rub rheuma-
tism away.

**IF BACK HURTS USE
SALTS FOR KIDNEYS**

Eat less meat if Kidneys feel like lead
or Bladder bothers you—Meat
forms uric acid.

Most folks forget that the kidneys,
like the bowels, get sluggish and clogged
and need a flushing occasionally, else we
have backache and dull misery in the
kidney region, severe headaches, rheu-
matic twinges, torpid liver, acid stomach,
sleeplessness and all sorts of bladder dis-
orders.

You simply must keep your kidneys
active and clean, and the moment you
feel an ache or pain in the kidney
region, get about four ounces of Jad
Salts from any good drug store here,
take a tablespoonful in a glass of water
before breakfast for a few days and
your kidneys will then act fine. This
famous salt is made from the acid of
grapes and lemon juice, combined with
lithia, and is harmless to flush clogged
kidneys and stimulate them to normal
activity. It also neutralizes the acids
in the urine so it no longer irritates,
thus ending bladder disorders.

Jad Salts is harmless; inexpensive;
makes a delightful effervescent lithia-
water drink which everybody should take
now and then to keep their kidneys clean,
thus avoiding serious complications.

A well-known local druggist says he
sells lots of Jad Salts to folks who believe
in overcoming kidney trouble while it is
only trouble.

FINED FOR SELLING BOOZE

Falls City, Neb.—The district
court was in session last week and
the case of Emerson Coverzagle of
Rulo, for selling liquor without li-
cense was disposed of. The defend-
ent pleaded guilty and was fined
\$100 and costs. The case of Fay
Thornton, a negro, for burglary, was
also disposed of. He stole some ar-
ticles out of a bunk car some time
ago and he was sentenced to thirty
days in the county jail.

**DARKEN GRAY HAIR,
LOOK YOUNG, PRETTY**

Sage Tea and Sulphur Darkens
So Naturally that No-
body can tell.

Hair that loses its color and lustre, or
when it fades, turns gray, dull and life-
less, is caused by a lack of sulphur in
the hair. Our grandmother made up a
mixture of Sage Tea and Sulphur to
keep her locks dark and beautiful, and
thousands of women and men who value
that even color, that beautiful dark
shade of hair which is so attractive, use
only this old-time recipe.

Nowadays we get this famous mixture
improved by the addition of other ingre-
dients by asking at any drug store for a 50-
cent bottle of "Wyeth's Sage and Sul-
phur Compound," which darkens the
hair so naturally, so evenly, that nobody
can possibly tell it has been applied. You
just dampen a sponge or soft brush with
it and draw this through your hair, tak-
ing one small strand at a time. By morn-
ing the gray hair disappears; but what
delights the ladies with Wyeth's Sage and
Sulphur Compound, is that, besides beau-
tifully darkening the hair after a few
applications, it also brings back the gloss
and lustre and gives it an appearance
of abundance.

Wyeth's Sage and Sulphur Compound
is a delightful toilet requisite to impart
color and a youthful appearance to the
hair. It is not intended for the cure,
mitigation or prevention of disease.

**A. O. U. W. RATES
STILL UNSETTLED**

Alliance Man Attended Meeting in
Omaha When Rate Haise Was De-
Feated. Writes Alliance People

At the meeting of the Grand Lodge
of the A. O. U. W., held in Omaha
last week the proposition of a raise
in rates in order to put the organiza-
tion in better shape was defeated. The
state insurance department may
take a hand soon and a receiver may
be appointed, according to reports in
the daily papers. W. G. Zediker at-
tended the meeting and gives an ac-
count of it in the following letter,
written to Julius Covert, an Alli-
ance active member of the order:
Omaha, Neb., May 10, 1917.

Dear Sir and Brother:—
I am red hot and still heating.
This is the end of the third day of
this Grand Lodge session, and as yet
we have not decided on any rate for
the future, and at the present time,
there are no rates in existence at all.
We knocked the Fraternal Congress
rate out and a new rate was submit-

RELEASED FOR FARM WORK

Omaha, Neb.—Three hundred em-
ployees of the Union stock yards and
live stock commission companies
were released May 15 to take jobs on
farms to aid in the production of
foods for the war emergency.

This was decided upon this morn-
ing at a meeting of the live stock ex-
change.

The yard company and the com-
mission men will get along with less
help between May 15 and September
1, the time for which these men are
released. The south side employers
will hold their jobs open for them
till they return.

At the same time they have offered
to pay the difference between the
wages the men will receive on the
farms and what they are paid when
working in the yards.

The shipping out of the men will
begin at once, thru the stock yards
labor bureau.

FOR PUBLIC

Omaha, Neb.—For years the stock
yards dumping grounds have furnish-
ed mushrooms for scores of South
Omahans in the spring. They grew
in quantities and dozens of people
could be seen early mornings gather-
ing mushrooms from the wild beds.
Now the public is barred. The yard
company has stationed guards in the
vicinity of the mushroom beds and
no one is permitted to trespass. "The
people have been so destructive of
the mushroom beds that we have not
been able to get any for the officers
of the company" said superintendent
J. S. Walters. We have ordered our
special officers to see that no one
molests the mushroom beds hereafter."
